Dear John:

I would like to thank you for your participation in the discussion session on Soviet Strategy and Threat.

The session provided the Senators with the exposure to this topic that we were seeking. The Senators were very pleased with both the format and the content of the session.

As the Pacific Study Group continues its work, I will plan to stay in touch with you. Please don't hesitate to call me if you have a suggestion or additional input for our work.

Sincerely,

Jim Locher
